

**NEPA-PRO**

PROPERTY CARE TIP

# Frozen pipes are the #1 reason for emergency calls.

Every one we've responded to  
was preventable.

NEPA-PRO

BY THE NUMBERS

# 85

freeze-thaw cycles  
in a typical NEPA winter.

It's why old houses crack.  
Why gutters fail. Why water gets in.

**NEPA-PRO**

**ICE DAMS**

# Ice dams aren't a gutter problem.

They're an attic insulation  
and ventilation problem.
